Department/Agency overview

The **Department of Planning, Industry and Environment (DPIE)** brings together the functions from the former Planning and Environment, and Industry Clusters, including the Office of Environment and Heritage. **Taronga Conservation Society Australia (Taronga)** forms part of the DPIE in the Energy, Environment and Science Group and reports into the Policy, Strategy and Science division. Taronga's vision is to create a shared future for wildlife and people. Through our efforts we protect endangered species, increase understanding of wildlife and inspire community action.

Primary purpose of the Taronga Volunteer Roles

Taronga volunteers support the Taronga Conservation Society to achieve their vision of Securing a Shared Future for Wildlife and People.

Primary purpose of the Behavioural Watch Volunteer role

Taronga's Animal Care Divisions care for a number of species. Our Volunteers assist with observation of animal behaviour, data collection and data entry to support Tarongas teams in providing the highest standards of animal welfare.
