### Department/Agency overview

The Department of Climate Change, Energy, the Environment and Water (DCCEEW) brings together the functions from the former Planning and Environment, and Industry Clusters, including the Office of Environment and Heritage. Taronga Conservation Society Australia (Taronga) forms part of the DCCEEW in The Environment and Heritage Group. Taronga's vision is to create a shared future for wildlife and people. Through our efforts we protect endangered species, increase understanding of wildlife and inspire community action.

### Primary purpose of the Taronga Volunteer Roles

Taronga volunteers support the Taronga Conservation Society to achieve their vision of Securing a Shared Future for Wildlife and People.

### Primary purpose of the Behavioural Watch Volunteer role

Taronga's Animal Care Divisions care for many species. Our Volunteers assist with observation of animal behaviour, data collection and data entry to support Taronga's teams in providing the highest standards of animal welfare.

### Key accountabilities

- Animal behaviour data collection across a variety of conditions
- Records administration
- Maintain excellent working relationships with team members
- Maintain an excellent customer service ethos
- Ability to undertake work autonomously

### Key challenges

- Complete important behavioural observations and data input
- Maintain accuracy and motivation with repetitive tasks

## Key relationships

Who	Why
