

SEE, THINK, WONDER

Thinking Routine – Pre-Zoo activity

Education

Before watching the Superhero Owl video, write down 3 things that you wonder about the adaptations of an owl.

As you watch the video, write down what you see and think about the adaptations of an owl.

After watching the video, reflect on what you wondered before watching to see if there was an answer to your question.

Write 4 things that you now wonder after having seen the video.
