

TARONGA ZOO EDUCATION | PROFESSIONAL LEARNING

STEP UP TO SUSTAINABLE STEM

Friday 10 June 2022

Join us for an engaging professional learning day designed to help K-6 teachers who are starting on their STEM Journey

Two components. A one day course at Taronga Zoo and a follow up Webinar.

PARTICIPANTS WILL:

- gain a deeper understanding of the requirements of teaching STEM.
- learn how the cross curricular priority of sustainability can drive successful STEM initiatives.
- unpack the four subject areas of STEM: working scientifically, working technologically, engineering and working mathematically.
- develop a STEM program that integrates the four disciplines into a real world, rigorous, relevant learning experience for students.
- be required to upload their STEM program.
- reflect on how effectively their unit of work met the targeted STEM and sustainability outcomes.
- provide feedback to other participants on their program.

COURSE DETAILS:

Date: 10 June 2022

Time: 08:45 am – 03:00 pm

Webinar: 3.30pm-4pm date TBC

Location: Taronga Institute of Science & Learning, Mosman

Cost: \$120

Completing this course will contribute 5.5 hours of Teacher Identified PD addressing 3.2.2, 3.4.2, 6.2.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
