

# BECOME A KOALA CHAMPION TODAY!

The Koala has inhabited Australia – and nowhere else on the planet – for at least 20 million years. That’s a long time!

Visa is committed to supporting Taronga’s Koala conservation work to ensure Koalas are around for many years to come. Complete this sheet to learn more about Koalas so you can become a Koala champion today!

## ARE YOU KOALA-FIED?

Unscramble these words to complete the Koala facts.

The closest relative to the Koala is the **MTWABO** \_ \_ \_ \_ \_

A baby Koala is called a **YEJO** \_ \_ \_ \_

A Koala is not a bear it is a **LPRAISMUA** \_ \_ \_ \_ \_

Koala mothers have a **OCUPH** \_ \_ \_ \_ \_

UNSCRAMBLE ANSWERS: wombat, joey, marsupial, pouch.

## SUPER SCENT

There are over 600 species of eucalypt in Australia with Koalas only eating around 50.

## CLEVER CLIMBERS

Koala hands and feet are adapted for curling around and climbing tree branches.

Their hands have not one but TWO opposing thumbs to increase their grip, and sharp claws to dig into the bark.

Taronga’s Koala conservation work is proudly supported by Visa.

# KOALA DRAW AND COLOUR

Join the dots to draw a Koala!  
When you finish, colour-in the Koala and tree.

## A BRIGHT FUTURE

Forest loss in Australia is changing the environment and putting all living things under increasing pressure.

Planting and protecting Koala forests is more than just having a home for a cute creature, it means protecting millions of insects, birds, mammals, reptiles and plant species that share these forests.
