

# WILDLIFE RETREAT AT TARONGA

## Taronga Zoo Sydney – Overnight Experiences

The Wildlife Retreat at Taronga is located just 12 minutes from Sydney CBD yet feels a world away, in a secluded, harbourside bushland setting. It's a peaceful, relaxing experience that connects guests with native Australian wildlife and forms an integral part of Taronga's vision to achieve a shared future for people and wildlife.

The Wildlife Retreat at Taronga on Cammeragal country is an elegant Australian eco-retreat nestled within Taronga Sydney, overlooking magnificent Sydney Harbour. The itinerary takes guests inside our unique eco-retreat's facilities and includes exclusive tours within Taronga Sydney. Each stay at the Retreat supports Taronga's important animal conservation programs

### Facilities

**The Sanctuary** - the Australian native wildlife habitat at the centre of the Wildlife Retreat is home to Koalas, Wallabies, Echidnas and other unique Australian species. Included in your Wildlife Retreat stay is a guided tour of the sanctuary where you will come close to many adorable Australian animals, hear fascinating talks and deepen your connection with Cammeragal country. The Sanctuary Is an exclusive experience for Retreat guests only.

**Me-Gal** - With sweeping views of Sydney Harbour, Me-Gal, is named after the Cammeragal word for 'tears' and evokes the saltwater surrounding the restaurant's beautiful location. Satisfy your senses with the Wildlife Retreat at Taronga's dining experience. Influenced by the native Australian culinary environment, Me-Gal focuses on serving fresh, locally sourced produce with a seasonally modified menu and carefully curated wine list.
