## INTRODUCTION

ZooSnooz is the ultimate overnight excursion that your students will remember for years to come! Fall asleep to the sounds of nocturnal marsupials and wake to the morning roars that can only be heard from inside the Zoo!

To secure a booking in our ZooSnooz program a minimum of 20 students (excluding adults) is required; the program has a maximum capacity of 90 including supervising adults.

Set in the picturesque grounds of Billabong Camp, ZooSnooz provides an exciting Aussie bush camping experience without the fuss. Through evening and morning walks students will learn about the care and conservation of native animals and those from around the globe.

Your ZooSnooz experience will include:

- A classic Aussie BBQ dinner cooked by our Billabong Camp Hosts
- Night walking tour visiting some of our Australian native animals
- Supper under the stars
- Continental breakfast overlooking the Billabong
- Exciting morning walking tour
- Entry onto the Zoo Circuit either the day of arrival or the day after your ZooSnooz

## SLEEPING ARRANGEMENTS

Billabong Camp hosts a maximum of 90 people.

There are 43 tents at the site. Each tent sleeps 2 students or 2 adults. Each tent has two stretcher beds with thick high-density camping mattresses.

Depending on availability and number of attendees on the night, 3 students could be allocated to each tent. If a third child is to be included, then another mattress is laid on the ground between the two stretcher beds.

2 Camping chairs per tent are provided on the front porches of each site.

The school teachers/additional adult supervisors are the primary source of supervision. Your Zoo hosts will provide your ZooSnooz experience. Between the hours of 10pm and 6am a host will be available for emergency assistance. Please ensure all attending teachers are aware of this arrangement and that they bring appropriate sleepwear.

## OTHER SCHOOLS OR GROUPS

Please be aware that your school may not be the only group attending ZooSnooz on the same night. Whilst all efforts are made to ensure minimal contact between schools, please note you may not have the site to yourselves.

## ONSITE FACILITIES

The Dinning Shed is centrally located within the camp and has a large covered area with cement flooring which provides protection from the sun and rain. There are tables and seating as well as portable heaters during the colder months.

Billabong Camp is equipped with basic kitchen facilities. These are not generally made available to the public, however, in the event fridge/freezer facilities are needed these can be requested in advance and are subject to availability.

There is a shared bathroom facility on site consisting of eight large toilet/shower cubicles. There is an accessible toilet within this facility.

Tent sites are not powered. If power is required i.e. for medical reasons please contact [twpzeducation@zoo.nsw.gov.au](mailto:twpzeducation@zoo.nsw.gov.au).

Billabong Camp Hosts stay onsite in the staff tent, located in between tent site one and the entry gate.

Coach parking is located directly outside the entry to Billabong Camp.
