# WHAT IS A VISUAL STORY?

Visual stories are written in an easy read format and use pictures to provide greater accessibility for everyone.

This Visual Story has been developed in collaboration with Autism Spectrum Australia.

Visual stories are used to prepare people for a new environment or situation.

# BEFORE I GO...

I can click on this link to look at the Taronga Zoo website:

[www.taronga.org.au](http://www.taronga.org.au)

I can look at the Zoo map and decide what I would like to see and do.

# TARONGA ZOO MAP

I can pick up a map from the Information Desk when I arrive at the Zoo.

The staff can help me find the Information Desk if I need.

# THE HIDDEN DISABILITIES SUNFLOWER LANYARDS

**The Zoo supports and recognizes the Hidden Disability Sunflower.**

The Sunflower is a globally recognised symbol for Hidden Disabilities.

The lanyard is a way that people with Hidden Disabilities can indicate to staff that they may need extra support, time, and understanding.

There will be a limited number of lanyards available at the Zoo.

It is OK if I don't have a lanyard, I can still get help if I need.

If I already have a Sunflower lanyard I can bring it with me.

# ACCESSIBILITY

## Toilets

The Zoo has several accessible toilets and a changing place.

## Wheelchairs

I can hire a wheelchair at no cost from the Top Plaza Shop, (Map ref. 7L).

I can look for this symbol  on my map.

I will have to leave my ID with reception and sign a disclaimer form.

I will get my ID back when I return the wheelchair.

## Assistance Animals

The Zoo welcomes certified assistance animals. I will have to let Zoo Staff know that I plan to visit with my assistance animal at least 72 hours in advance.

This is so that Zoo Staff can make sure my assistance animal and the Zoo animals are safe when I visit.

To let Zoo Staff know, I should email: **[webmaster@zoo.nsw.gov.au](mailto:webmaster@zoo.nsw.gov.au)**

Other dogs are not allowed inside the Zoo, but I can ask a Zoo Volunteer to take care of my dog while I visit. This is to keep the Zoo animals safe.

# SENSORY INFORMATION

During my visit to the Zoo, I might come across different sensory experiences.

These include:

- Smell of animals
- Very bright areas
- Very dark areas
- Things I can touch and feel

If I booked my ticket online, I can walk straight through.

I can ask a Zoo Staff Member or Volunteer for help if I need to.

## INTERNET ACCESS

It is important to remember that Data and mobile device signals can be poor in some areas of the Zoo.

I can use the Zoo's WIFI or I can move to a different area to try to get a signal.

I can show my Sunflower lanyard to staff and they can help me find Quiet Areas, bathrooms and even my favourite animals.

There is a toilet beside the Information Desk that I can use if I need.

# RULES

There are rules that I need to follow inside Taronga Zoo.

This is to help keep me and the Zoo animals safe.

Let's have a look at the most important rules:

- **No feeding the animals.** Human food can make the Zoo animals sick.
- **No touching the animals.** Unless a zoo keeper tells me it's OK to touch.
- **I might have to wait.** I should wait calmly to my turn to look at the animals.
- **I will stay with my group.** The Zoo is very big and it is easy to get lost.
- **No banging or tapping on the glass.** This might scare the animals inside.
- **I will not bring dogs, balls, balloons, bikes, skates, skateboards, or scooters** to the Zoo because they are dangerous.
- **I will put my litter in the bins.** Some animals try to eat it and it makes them sick.

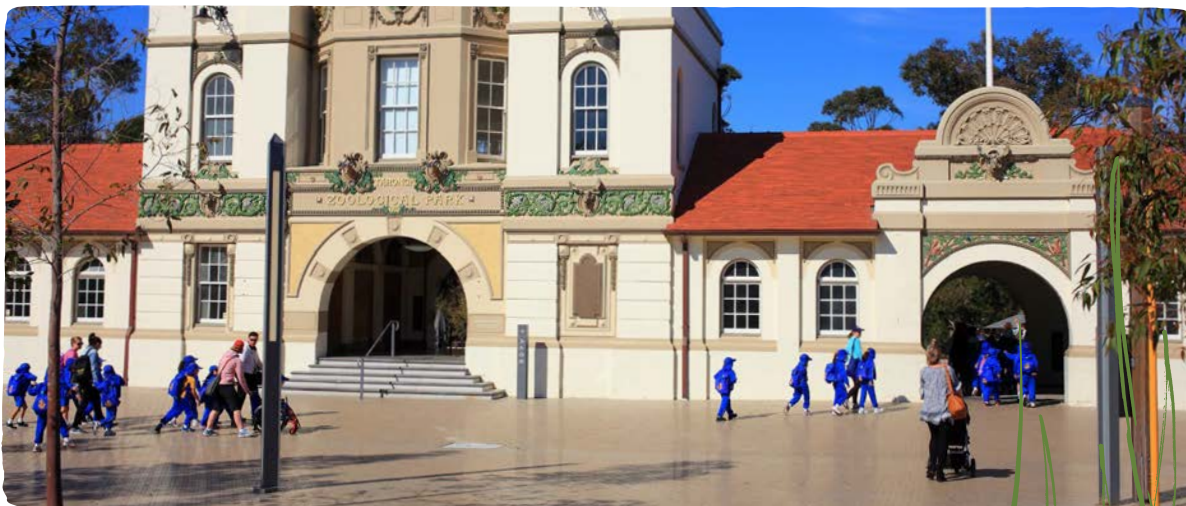

# FIRST WE WILL GO IN THROUGH THE ARCHWAY

First we will go in through the archway.

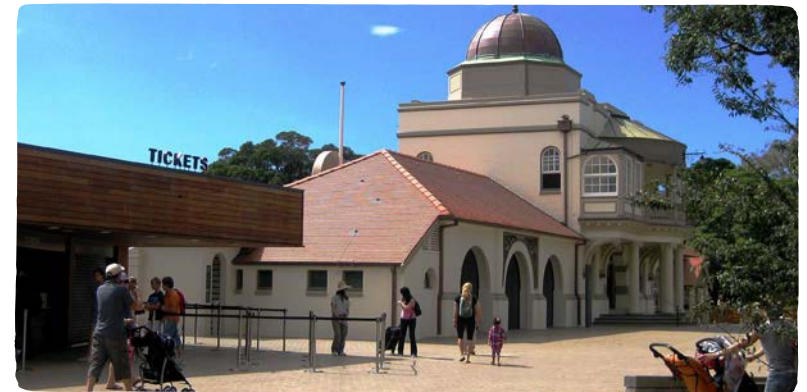

Then turn right to find the Ticket Office – it is better to buy tickets online so we don't have to queue up with lots of people and wait. It's not usually as empty as this!

Next I will go to the Information Desk where I could ask for a Sunflower Lanyard if I need one. I could show my Sunflower Lanyard to the Staff and Volunteers and they can help me find out where the Traquil Areas are, the bathrooms, or even my favourite animals.

If I need to use the bathroom before we go to see animals, there is a toilet next to the Information Desk.
