

FRIENDS OF *the* FUTURE

TARONGA'S SPECIAL GROUP OF SUPPORTERS WHO ARE LEAVING A GIFT IN THEIR WILL

We would like to invite you to join Friends of the Future, a special group of Taronga's most committed supporters. By leaving a gift in your Will you will help to secure a future for wildlife.

Our valued Friends of the Future receive invitations to special events and up-to-date news through Wild Life Magazine and occasional newsletters. With your permission, Taronga will also honour and acknowledge your generosity and legacy through a plaque in our 'Partners in Conservation' gallery located at Taronga Zoos top entrance.

- I wish to advise that I have included a gift in my Will to Taronga Conservation Society Australia.
- I would like my name inscribed in the 'Partners in Conservation' gallery
